

SCIENCE JUDGE – What do I do?

- **Ensure that:**
 - The correct teams are in the competition room
 - The moderator is reading questions from the correct round
 - The moderator is reading the questions correctly (not skipping words, correct pronunciations)
- **Control the buzzer system**
 - Wait to reset the buzzer system until student has been verbally recognized
 - Note: Some Science Judges wait to reset until the bonus question is over to help prevent students from buzzing during bonus questions
- **Verbally recognize** the students when they buzz-in on toss-up questions
 - Identify students by announcing the team letter (A or B) and participant ID (1, captain, 2, 3), i.e., “A-3” or “B-captain”
- **Challenges**
 - Request that clock be stopped during challenges
 - At the National Finals, all challenges must be sent to the Appeals Room

Challenge?

- Ask timekeeper to stop the clock.

Minimum Requirements:

- Be able to follow the competition flow
- Know and be able to apply all of the rules
- Read and review the questions prior to the event
- Have a college degree in math or the sciences
